

DOUGLAS I. KATZ, M.D.

343 Brookline Street
Newton Centre, MA 02459-3151 (617) 969-4508 FAX (617) 332-2833

Braintree Rehabilitation Hospital
250 Pond Street
Braintree, MA 02184 (781) 848-5353 FAX (781) 380-4809; 849-7978

Department of Neurology
Boston University School of Medicine
One Boston Medical Center Place
Boston, MA 02118

e-mail: dkatz@bu.edu

EDUCATION:

May, 1980	State University of New York at Stony Brook, N.Y. School of Medicine, Stony Brook, N.Y.	M.D.
June, 1976	Brandeis University Waltham, MA (Magna Cum Laude)	B.A. (psychology- high honors)

POSTGRADUATE TRAINING

July, 1984 -	Neurobehavior Unit-Aphasia Research Center, Fellowship:	
June, 1986	Boston Veterans Administration Medical Center Boston University, School of Medicine	Behavioral Neurology
July, 1981 - June, 1984	Boston University Affiliated Hospitals Training Program in Neurology	Residency: Neurology
July, 1980 - June, 1981	St. Elizabeth's Hospital of Boston	Internship: Internal Medicine

PROFESSIONAL EXPERIENCE:

Jan., 2000- Present	Boston University Neurology Associates, Boston Medical Center, Boston, MA (Neurology staff, Boston Medical Center; Academic neurologist, Boston Univ.)	
April, 1999- Present	Medical Director Brain Injury Programs Braintree Rehab. Hospital, Braintree, MA	
April, 1999- Dec., 1999	Braintree Rehabilitation Associates (Neurologic and Rehabilitation Specialists) Braintree, MA	
July, 1996- March, 1999	Director Neurorehabilitation Programs Staff Neurol., BHRN & HealthSouth Braintree Rehab. Hosp., Braintree, MA	
Jan., 1986 - June, 1996 Braintree, MA	Clinical Director Traumatic Brain Injury Program, Staff Neurologist, Braintree Hospital Rehabilitation Network (BHRN),	

July, 1986 - Present Consultant, Neurology Service, Boston VA Medical Center, Boston, MA

July, 1985 - Jan., 1986 Consultant in Behavioral Neurology, Part-time Staff, Trinity Mental Health Center, Framingham, MA

ACADEMIC APPOINTMENTS:

Jan., 1999 - Present Associate Professor, Neurology
Boston University School of Medicine

May, 1989 - Dec., 1998 Assistant Professor, Neurology
Boston University School of Medicine

Jan. 1986 - May, 1989 Instructor, Neurology
Boston University School of Medicine

July, 1985 - June, 1987 Instructor, Psychiatry
Tufts University School of Medicine

July, 1983 - June, 1984 Chief Resident in Neurology
Boston University Affiliated Hospitals

July, 1981 - Jan., 1986 Teaching Fellow, Neurology
Boston University School of Medicine

CERTIFICATION AND LICENSURE:

1992 Certification, American Society of Neurorehabilitation (recertified 2002)

1986 Board Certified in Neurology,
American Board of Psychiatry and Neurology

1981 Diplomate National Board of Medical Examiners

1981 Permanent Medical License,
Massachusetts Board of Registration

PROFESSIONAL SOCIETY MEMBERSHIPS:

American Academy of Neurology (fellow)
American Congress of Rehabilitation Medicine (fellow)
American Society of Neurorehabilitation
Massachusetts Medical Society
Boston Society of Neurology and Psychiatry

BOARDS, COMMITTEES & OTHER APPOINTMENTS:**Boards of directors, Advisory boards and Committee Chairs of National Organizations**

- Board of Governors, American Congress of Rehabilitation Medicine (2008-)
- Board of Directors, American Society of Neurorehabilitation (2003- 2009)
- Board of Directors, MAB Community Services, Brookline, MA (2008-)
- Advisory Board, Clinical Trials Network for TBI, NICHD, NIH, Bethesda (2002 -)
- Board of Directors, Brain Injury Association of America, Washington DC (1998-2004)

- Data Safety Management Board, Electrical Stimulation of the Thalamic Intralaminar Nuclei for Treatment of the Minimally Conscious State (ILN Pilot Study) IDE G030240 (2008-)
- Chair, Section on Neurorehabilitation and Neural Repair, American Academy of Neurology (2002-2004)
- Chair, ASNR and AAN Neurorehab. Section Committee for UCNS subspecialty certification (2007-)
- Chair, Clinical Efficacy Committee, Brain Injury Association of America (2002)
- Scientific Advisory Board, Defense and Veterans Brain Injury Center (2002 - 2005)

Editorial Boards

- Editorial Board, Journal of Head Trauma Rehabilitation, Aspen Publications (1994-)
- Editorial Board, Neurorehabilitation and Neural Repair (2002-)
- Section Editor, Encyclopedia of Clinical Neuropsychology, Springer, Jeffrey S. Kreutzer, Bruce Caplan, and John DeLuca (eds.) (2007-)
- Editorial Board, Neuropsychiatry of Traumatic Brain Injury, 3rd Edition (2008-)
- Editorial Board, Neuropsychiatry of Traumatic Brain Injury, 2nd Edition (2002-2003)
- Editorial Advisory Board, Brain Injury Rehab. Patient Educ. Manual, Aspen Pub. (1995-2001)
- Ad hoc reviewer, Neurology, Archives Phys. Med. Rehab., Archives of Neurology, Journal of Neurology, Neurosurgery and Psychiatry, J Neurotrauma, Neurorehabilitation & Neural Repair, Journal of the International Neuropsychological Society and others

Other Committees, Conference Leadership, Grant Reviews and Professional Organization work

- International Scientific Affairs Committee: International Brain Injury Association 8th World Congress (2009-2010)
- Grant reviewer, TBI Model Systems Grants, NIDRR, Dept. of Education, Wash. D.C. (1998)
- Grant reviewer, International Brain Injury Assoc. (IBIA), Rubin Foundation, (2000)
- Course Director, Traumatic Brain Injury half-day course Traumatic Brain Injury, American Academy of Neurology Annual Mtg (2009, 2010)
- Course Director, Cognitive Rehabilitation Half-day course, American Academy of Neurology, Annual mtg. (2007, 2008)
- Course Director, Seminar, Minimally Conscious State, American Academy of Neurology Annual Mtg (2003)
- Course Director, Traumatic Brain Injury half-day course, American Academy of Neurology Annual Mtg (2001)
- Chair Elect, Section on Neurorehabilitation and Neural Repair, American Academy of Neurology (2000-2002) Secretary, Section on Rehabilitation, American Academy of Neurology (1998-2000)
- Chair, Fellowship Training Subcommittee, Amer. Soc. Neurorehabilitation (1996-2000)
- Neurobehav. Consequences of TBI, Evidence-based guidelines Work Group, IBIA, CDC (1999-)
- Annual Meeting Planning Committee, Amer. Soc. Neurorehabilitation (1996-2000)
- Membership Committee, Amer. Soc. Neurorehabilitation (2000-2006)
- Clinical Practice Committee, American Congress Rehabilitation Medicine (2003-2007; 2009-)
- Program Committee, American Congress Rehabilitation Medicine (1999, 2010)
- Prevention Committee, Brain Injury Association of America (2000- 2001)
- Scientific Advisory Board, Brain Injury Association (formerly NHIF) (1994-1998)
- Symposium Planning Committee, Brain Injury Association (formerly NHIF) (1993-2000)
- Education and Training Program Committee, Brain Injury Association (1995-96)
- Professional Council, Massachusetts Brain Injury Association (1991-)
- Brain Injury Special Interest Group, ACRM (1989-)
- Massachusetts Trauma System Development Project, Rehab. Subcommittee (1995-96)
- Invited Participant, Aspen Neurobehavioral Conference (1995,96,97,98,99)
- Invited Participant, Galveston Brain Injury Conference (2002, 2003, 2004 -07)
- Invited Participant, Impairments of Consciousness Consensus Conference, Mohonk Mountain House, New Paltz, NY (4/06)

Hospital Committees and appointments

- Chair, Braintree Rehabilitation Hospital, Annual Neurorehabilitation Conference (1988-)
- Vice President Medical Staff, Braintree Rehabilitation Hosp. (1999-2005)
- Director, Medical Education, Braintree Rehabilitation Hosp. (2006-)

Teaching Responsibilities

- Neurorehabilitation fellowship director, Dept. Neurology, Boston University School of Med. / Braintree Rehabilitation Hospital (July, 2010 -)
- Lectures 2nd year Medical Students, Neurology Disease and Therapy Course, Boston Univ. School of Medicine
- Neurorehabilitation Lecture Series, Neurology residents, Dept. Neurology, Boston Univ. School of Med.
- Monthly Attending (May), Neurology Service, Boston Medical Center
- Teaching 3rd & 4th Medical Students during clinical rotations at Braintree Rehabilitation Hospital
- Teaching Residents on elective rotation at Braintree Rehabilitation Hospital
- Teaching/supervision neurology residents/ med students at Boston Medical Center, HAC clinic
- Invited lecturer to graduate programs at BU Sargent College of Health and Rehabilitative Sciences, Boston University
- Fellowship supervisor, neurorehabilitation fellows, Braintree Rehab. Hosp./ Dept. Neurology, Boston Univ. School of Med. (1986 – 1998)
- Dissertation committee, PhD candidate, Suzanne Diamond, Boston University, Sargent College of Allied Health Professions (1995-96)

AWARDS AND HONORS:

The Sheldon Berrol MD Clinical Service Award (for outstanding contributions in improving the quality of care, professional training and education in the field of brain injury), Brain Injury Association of America (2001)

Fellow of the American Academy of Neurology (2004)

Fellow of the American Congress of Rehabilitation Medicine (2002)

NORA – Neuro-optometric Rehabilitation Assoc., International, The Advancement of Neuro-optometric Rehabilitation Award (for Brain Injury Rehabilitation: Principles and Practice (2007)

10-Year Service Award, Braintree Hospital Rehabilitation Network (1997)

Outstanding Medical Rehabilitation Program Award, National Assoc. Rehabilitation Facilities (1991) (as Clinical Director, TBI Program, Braintree Hospital)

High honors, psychology department, Brandeis University, 1976

RESEARCH FUNDING:

Center Principal Investigator – The effects of amantadine on patients with disorders of consciousness after traumatic brain injury. NIDRR Grant # H133A0317133, (P.I. Joseph Giacino, Ph.D.; coP.I. John Whyte, MD, PhD). Jan. 2004 – Dec. 2008).

Consultant – Metaphor Training Project. NIH – NIDCD Grant # 1Ro1DC009045-01. (PI Hiram Brownell, PhD.) Sept. 2007 - Aug., 2010.

Principal Investigator – 12-Week, prospective , double –blind, placebo-controlled, multi-center study evaluating the efficacy and safety of Exelon in patients with Traumatic Brain Injury with persisting cognitive deficits. Novartis Pharmaceuticals, Corp. Protocol: CENA713BUS11. May 2003-Jan 2005.

Consultant - Regional cerebral activation on fMRI as a predictor of outcome following TBI (P.I. Gary Strangman, PhD) Spaulding Rehabilitation Hospital / Partners TBI Model Systems Project. NIDRR TBI Model Systems Grant (P.I. Mel Glenn, MD) (2002-).

Consultant – Investigating the Utility of Functional MRI in Assessing Cognition, Predicting Outcome and Planning treatment in Minimally Conscious (MCS) Patients. (P.I. Joseph T. Giacino, PhD) JFK Medical Center / Johnson Rehabilitation Institute TBI Model Systems Project. NIDRR TBI Model Systems Grant (P.I. Joseph T. Giacino, PhD) (2002 -).

Principal investigator – Donepezil for cognitive impairments after traumatic brain injury; Eisai Inc., Quintiles Inc. (2001 - 2002)

Principal investigator - Psychometric Validation of Cognitive Instruments in Moderate or Mild Head Trauma; Pfizer, Inc. (#900-406-5613)(1997- 2000)

Principal investigator – The effects of therapy intensity and psychoactive medications on recovery from the vegetative and minimally conscious states: results from a multicenter network. Brain Injury Association: Irving and Felicia Rubin Family Grant (#R-0000006)(1999-2001).

Consultant – Memory disorders Research Center, Boston University School of Medicine, Boston VAMC (Director P.I., Mieke Verfaellie, Ph.D.) NINDS (1999 -)

Consultant – Treatment of cognitive deficits after stroke with Citicoline (P.I., Lee H. Schwamm); Center for Brain Sciences and Metabolism Charitable Trust (2000- 2002)

Co-investigator - Advancing Clinical Treatments for Persons with Prolonged Unconsciousness (developing multicenter trials)(P.I.'s, Madeline DiPasquale, PhD, John Whyte, MD, PhD, Moss Rehabilitation Research Institute); Brain Injury Association: Irving and Felicia Rubin Family Grant (1997-98)

Co-investigator - Theory of Mind study (P.I., Hiram Brownell, Ph.D.); NIH (Neurol. Disorders & Stroke; Deafness & Communication)(1997-)

Co-investigator - Multicenter Clinical Trial of Intramuscular BOTOX for upper limb Spasticity (P.I., Susan Pearson, MD); Allergan (#BTOX-134-8051)(1994-96)
