

Curriculum Vitae

Philip Schatz

Office:
St. Joseph's University
Psychology 222 Post Hall
Philadelphia, PA 19131
(610) 660-1804

Internet:
<http://schatz.sju.edu/>
e-mail: pschatz@sju.edu

Academic Preparation:

Ph.D. Clinical Neuropsychology: Drexel University, June 1995.
Pre-Doctoral Internship: The Toronto Hospital, Sept. 1991- 1992.
M.S. Neuropsychology: Drexel University, June 1990.
B.S. Psychology: Pennsylvania State University, January 1987.

Teaching:

Associate Professor, Aug. 1998 – present. Saint Joseph's University, Philadelphia, PA.

Undergraduate Courses Taught: Introductory Psychology, Computer Applications, Psychological Testing, Issues in Clinical Psychology, Neuropsychology, Research Methodology, Statistics.

Graduate Courses Taught: Assessment and Evaluation, Advanced Research Methodology, Advanced Multivariate Statistics.

Tenured: August 2004; Promoted to Associate Professor: August 2005

Adjunct Assistant Professor, Sept. 1992 – July 1998: Experimental, Introductory, Social and Cognitive Psychology; Computer Applications/Research Methods. Drexel University, Philadelphia, PA.

Neuroanatomy Instructor. Summer 1997 - 1999. Occupational Therapy Program, University of Sciences in Philadelphia, Philadelphia, PA.

Neuropsychology Grand Rounds. Sept. 1991 - Aug. 1992. The Toronto Hospital, Toronto, Ontario.

Clinical Work:

Consultant. July 2002 – present. Pennsylvania Department of Health, Pennsylvania Head Injury Program.

Consultant. Sept. 1999 – 2001. Pennsylvania Department of Public Welfare, CommCare Program.

Psychology Consultant. Sept. 1994 – Sept. 1998. Professional Psychology Group, Bala Cynwyd, PA.

Director of Psychological Services. June 1995 - Sept. 1996. Brighten Place, Chalfont, PA.

Neurorehabilitation Specialist. May 1993 - June 1995. Counseling and Rehab. Inc., Wyomissing, PA.

Neurobehavioral Specialist. Dec. 1992 - Apr. 1993. Moss Rehabilitation Hospital, Phila., PA.

Clinical Neuropsychology Intern. Sept. 1991 - August 1992. The Toronto Hospital, Toronto, Ontario.

Community Re-Entry Therapist. Feb. 1991 - April 1991. Moss Rehabilitation Hospital, Phila., PA.

Neuropsychology Intern. Mar. 1989 - June 1990. Drucker Brain Injury Center, Moss Rehab. Phila., PA.

Research Activities:

Research Consultant. May 1994 – present. Pennsylvania Head Injury Program.

Research Consultant. June 1999 – 2001. Department of Public Welfare CommCare Program.

Institutional Research Scientist. December 1997 – August 1998. Drexel University, Philadelphia, PA.

Data Analyst. June 1997 - June 1998. Drexel University Futures Center, Philadelphia, PA.

Post-Doctoral Research Fellow. June 1995 - June 1996. Drexel University, Philadelphia, PA.

Doctoral Dissertation. June 1995. Predicting level of independence following moderate to severe traumatic brain injury, Drexel University, Philadelphia, PA.

Master's Thesis. June 1990. Evaluating the effects of psychostimulant medication on arousal in a patient emerging from a Vegetative state: a case study, Moss Rehabilitation Hospital/Drexel University.

Research Associate. May 1988 - Dec. 1988. Teaching organizational thinking to reduce the demand on impaired memory, Moss Rehabilitation Hospital, Philadelphia, PA.

Honors & Elected Positions:

Chair: Institutional Review Board, Saint Joseph's University, 2002-present.

Summer Research Grant: Saint Joseph's University, 2006.

Faculty Merit Award: Achievement in Research, Saint Joseph's University, 2001-2002.

President: Philadelphia Neuropsychology Society, 2003-2004.

Director: Information Technology Committee, National Academy of Neuropsychology, 2003 - present
Director: National Academy of Neuropsychology distance Program, 1996 – 2003.
Board Member: Philadelphia Neuropsychology Society, 1999-present.

Grants/Contracts:

Co-Investigator, 1996 - 2002. National Academy of Neuropsychology distance Program.
 Total Approximate Award Value: \$275,000

Publications: Peer-Reviewed Papers (student co-authors in bold)

Student Development:

Mentorship (SJU):

Jay, K. (2005). Attitudes & behaviors that predict motorcycle helmet use: A look at voluntary helmet use in Pennsylvania after the 2003 repeal

Sucharski, N. (2005). Relationship between poor effort and baseline performance on ImPACT and WMT.

McComb, J. (2005). Posttraumatic seizures, antiepileptic drugs, and outcome in traumatic brain injury.

Palumbo, J. (2005). Incidence of concussion and differences on baseline testing among varsity versus club sport athletes.

Putz, B. (2004). Cross-validation of measures used for computer-based assessment of the effects of cerebral concussions.

Kanauss, K. (2003). Factors effecting the clinical practice of neuropsychology.

Kyle, K. (2002). Pre-Injury education and occupation variables as predictors of outcome following Traumatic Brain Injury.

Fraguito, M. (2001). Computer-based assessment of malingering.

Orlando, T. (2001). Measuring object-based and location-based attention.

Hughes, L. (2000). The effects of neuropsychological evaluations on rehabilitation outcome following TBI.

Co-Mentorship (SJU):

- Blair, K. (2004). Verbal memory deficits in children following temporal lobectomy.
 Filmyer, T. (2004). An evaluation of school support groups for newly relocated adolescents.

Co-Mentorship (External):

- McKeever, C. (2004). Assessment of sports-related concussions: Program implementation, incidence, severity, and recovery from injury. Ph.D. Drexel University
 Hillary, F. (2000). Analysis of motor vehicle collisions factors accounting for location of lesion, brain injury severity and patient outcome. PhD, Drexel University.
 Hillary, F. (1997). Seatbelts effect location of brain injury. M.S., Drexel University.

Theses Reader (SJU):

- Krystopolski, M. (2006). A comparison of perceived coaching behaviors in varsity collegiate athletes
 Ryan, T. (2005). Psychological adjustment and sleep disorders in children in foster care.
 Sharman, J. (2005). The effectiveness of computer-based instruction on learning and retention
 Simoni, L. (2005). Language competence at 36 Months: Relations with attachment, security, and the home environment.
 D'Amour, A. (2003). Parental attachment, pressure to achieve, and eating disorders in college females.
 Dolfi, J. (2003). Do race of defendant and crime severity influence mock juror decision-making?
 Shames, NR. (2003). The effect of exposure to media portrayals of ideal body images on body dissatisfaction, mood, and self-esteem across gender.
 Barker, S. (2002). The use of Myers-Briggs Typology to enhance cohesion and performance of sports teams.
 Bilik, J. (2002). Factors affecting sleep problems in infants.
 Bishop, C. (2001). Sleep habits of internationally adopted children.
 Burke, L. (2001). Sleep-wake patterns of children with autism.
 O'Brien, E. (2001). Sleep and risk-taking behavior in adolescence.

Theses & Dissertation Committees (External):

- Schneider, J. (2006). Emotional sequelae of sports-related injuries: Concussive and orthopedicinjuries. Ph.D. Drexel University
 Schiesher, D. (2004). Differentiating memory lateralization in temporal lobectomy patients: Comparison of the material-specific and familiarity-novelty hypotheses. Ph.D. Drexel University.
 McClain, M. (2003). Litigant status as a predictor of Memory Test Score profiles. Ph.D. Drexel University.
 Covassin, T. (2003). Effects of gender and sport type on the recovery from sports-related concussions. Ph.D. Temple University.
 Lowry, J. (2001). Employment following TBI. M.S., Drexel University.
 Welch, T. (2001). Posttraumatic seizures, medication usage and rehabilitation outcome. PhD, Drexel University.
 Zabel, T. (2000). Functional brain imaging using nIRS and Olfaction. PhD, Drexel University.
 Freeman, R. (1999). Visuoconstructional abilities in dementia. Ph.D., Drexel University.
 Gardner, W. (1999). The effect of behavioral, personality and emotional changes after brain injury on caregiver relationships. PhD, Drexel University.
 Giovanetti, T. (1999). Errors of action in dementia. PhD, Drexel University.
 Ledakis, G. (1999). Factor analytic models of the Mattis Dementia Rating Scale in dementia of the Alzheimer's type and vascular dementia patients. PhD, Drexel University.
 Freeman, R. (1997). Psychopathology and cognitive impairment in mild head injury populations. M.S., Drexel University.

Institutional Service, University/College Level:

Chair, Institutional Review Board for the Protection of Human Subjects in Research	2002 - present
College of Arts and Sciences College Council Executive Committee	2005 - present
Chair, Hearing Committee	2003 - 2006
Elections Committee	2001 - 2005
Distributed Education Task Force	2003 - 2004
Advisory Board, 33rd Annual Scholars' Conference on the Holocaust and Churches	2003

Faculty Bibliography Committee	2003
Content Management System Evaluation Committee	2003
Web Site Focus Group	2003
Task Force for Distant Education	2000 - 2001
Technology Open House Presenter	1999 - 2002
Task Force for Classroom Technology	1999 - 2001
Campus Pipeline Committee	1999 - 2000
Sigma Xi Grants Reviewer	2000
Jesuit NET Discussion Group	2000
CAS Laptop Implementation Committee	1999

Institutional Service, Departmental Level:

Departmental Program Review	2006
Departmental Software Audit Coordinator	2002
Advisor to Moore Psychology Club	1998 - 2001
Psychology Department Webmaster	1998 – present

University Presentations:

Schatz, P. "Traumatic Brain Injury: Assessment, Severity and Outcome." Sigma Xi chapter meeting, Philadelphia, PA, November 1998.

Schatz, P. "NAN distanCE: Continuing Education Courses via Distant Learning." Presentation at Saint Joseph's University Technology Day, Philadelphia PA, May 1999.

Schatz, P. "Computer-based assessment of malingering." Haub Research Forum, Saint Joseph's University, Philadelphia PA, December 1999.

Schatz, P. "Enduring effects of concussion in student athletes." College of Arts and Sciences Dean's Colloquium. Philadelphia, PA, February 2002
